

MUM

My Mum a big influence in my life,
She's what I look for in a wife.
Her morals good she's a good mother,
You can't compare there is no other.

No other that would care for me,
Through thick and thin she'll always be.
There for me in times of trouble,
As shit goes deep she's on another level.

I will always be her son,
On her back I can weigh a ton!
Things will change I'll do my best,
When I don't face gaol, or arrest.

When released I'll guarantee,
A huge success is what I'll be.
I've never had a proper go,
Yet prosperity, still I show!

2

It's not like me to break the law,
I helped a friend I knew before.
If I didn't help him he'd be shot,
Thanks to him over 10 i got!

Though being here is not fun,
I have more contact with my Mum.
I receive her weekly letter,
Frequent contact is much better.

She comes to see me when she can,
In here she's my greatest fan!
Four years in, my friends drop off,
Mums forever, with her love.

Soon I hope to leave this place,
With new conditions I will face.
As time goes on I get more freedom,
To get prepared, for when I'm leaving.

Time flies past real quick in here,
We don't count months, we count years.

If I study hard, this times a blur,
At least now with Mum, I'll cherish her!
