

I am currently being held against my will at the Southern Queensland Correctional Centre near Gatton in Queensland. In mid June 2015 I will be moving to Borallon Correctional Centre near Ipswich in Queensland.

This is my first time in prison and I never imagined I would be here, I have realised it can happen to anyone and the system isn't always right.

In January 2009 I was in an altercation with 3 people who threatened to harm my wife and children, this resulted in 2 of the aggressors dying. The facts of my case should have resulted in a maximum charge of manslaughter, but, more realistically, self defence. Unfortunately, in the corrupt, sanctimonious and egotistical Queensland legal system, results are not always correct. I was convicted in April 2012 of a crime I did not commit and I continue to challenge the outcome.

Outside I have 3 beautiful Daughters who are my entire world and reason for living. My family and friends, who know who I really am, continue to love and support me, for that I will always be ~~grateful~~ grateful.

Whilst I've been in prison I have used my time to do things I never had the time to do before, I have completed.

numerous Diplomas and am looking at a Bachelor Degree. I am a member of our Prisoner Advisory Committee and Fight for our rights and work on making prison a better environment. I also play the guitar, write songs and write poetry to keep me busy. Hopefully one day all these skills will come in handy.

Before I came to prison I owned a landscaping business and employed 8 people was very family orientated and continued to be. I was very popular with everyone who knew me and I was always up for a laugh. The only thing that used to get me down was the way the Government tried to run everyone's life. Australia is a Free country as long as you do exactly as you are told. I don't believe the Government has our best interests at heart and I will continue to Fight for what is morally right, legally or politically right. Don't be afraid to ask questions or 'rock the boat', don't accept it just because it is.

Please feel free to contact me or share my details, I'm always interested in other people's opinions. Email or write to L.M.B. 1008, Gutter QLD, 4343.
