Toby knows Gavin and he knows that Gavin's dirty on me; he says he can have a chat with him and **see how this might be de-escalated. How everyone might stand down from this fucking tension.**

**I split the cash,** placing 140 G's in a black bag in the bushes of a paddock next to Silvia's place **and the remainder in nearby bushland.**

**Page 305 of my 440 page materials;**

I was looking after Charlize at this time and thought if anything was to happen to me before I could work out what I was going to do with the Proceeds from the robbery.

That I would play a game with her and show her where the money was hidden in bushland behind Loretta's place. I told her that it was our little secret not to tell anyone about it, as I did not trust anyone but my daughter, it was 2b her inheritance at the end of the day, nobody else's. My life was not certain at all, from being killed.

I told Loretta that both me and Charlize were going to take the dogs for a walk, that I wanted to be alone with her and we wouldn't be long, she said o.k. This was behind Loretta's along the freeway in bushland.

**I had to later move this as Ursula had mentioned this fact to me, I was crazy hiding it in bushland.** I said it was fine as Charlize knew where it was nobody else & (if) anything happened to me, it was her alone who knew where it was no-one else.

I was to later hide a "black bag in bush's in the next empty paddock to Loretta's", easy access this **had 140G's in it, & S.O.G. were in the THIS area, I told Loretta of this, she said it was not.**

I HAVE LETTERS THAT REFER TO "**BLACK BAG**" "**HIDDEN IN BUSHES IN PADDOCK NEXT DOOR**". "THERE WAS A HEATED ARGUMENT OVER IT "Loretta Telling me it was gone I BELIEVE HER.

"WINESSSED BY ACACIA UNIT PRISON OFFICER "PAUL". JUNE / JULY 2012 ON A "BOX VISIT TERMINATED BY ME" THIS FACT.

"REVEALS THE BUSHE'S IN QUESTION". "FACT".

I was to give Ursula the \$140 G's set aside for Charlizes trust fund, at this event, yet learnt it was not secure at all & could have been withdrawn at any time by Ursula.

**I had arranged to pick up Charlize from Ursula at Kylies on the Saturday, as I wanted to have her for Easter, on the Sunday and wake up and do the Easter egg hunt with her at Loretta's.**

ME & Charlize done the Easter egg hunt for the first time together I hid the Easter eggs hours earlier ,I also had bundles of 50's in 20 grand lots placed with the eggs hidden around the back yard for her to find , **retrieved from next door paddock,**

**Coked to the fucking gills,** I'm high-wiring it at the fight night at Melbourne Pavilion with Will Tomlinson defending his super featherweight title against Daniel Ruiz. Jay Malkoun is also here- that gentleman I went to the Spearmint Rhino to catch up with.

Now he's the fucking Commanchero's president. Can you believe this shit?

**And there he is fucking sitting ringside with Mick Gatto and a pack of other fucking underworldly associates, and of course no shortage of bikies.**

**Fuck him, ya know, and his pack of killers. Gonna go have a bit of a word to him.**

**Well that didn't go so well. Outta here.** Odd, hey, how not long after I leave, the venue's fucking power fails- and during the title fight. With no lights, the fights over, night's over- **bad luck, huh Cunts.**

That on the Friday (48) hours prior to Sunday La Porchetta incident ,whilst attending the Boxing fights held at Kensington with Loretta, a confrontation took place between me & **the National President of Commanchero's "JAI MALCOON"** & his bikies mates, this a long running dispute held between both of us, "**bitter conflict held yes**".

I left soon after & lights went out in the venue, much to the horror of all those present, causing the Foxtel cable live tele- cast of Title fight left in blackness due to power.
