Victoria Police "Leap" print out of accused antecedent history.

I would go on to complete the Project and materials personally.
After being encouraged by others **to re-write the works.** **This was a blessing in disguise.**
Thank you RANYA. From Justice Action. You are a surrogate mother in having Caged Untold reborn from the ashes.☺.

Anyone who has had the misfortune to read the crap. **“Mayhem” the strange and savage saga of Christopher Badne\$\$ Binse.** Will tell you. **What is painstakingly obvious to all.**

Mut-her hi-jacks the very essence of it all. Yet when I ask about significant important issues. **There is not enough pages to cover this.**

Yet her irrelevant shit gets more attention!

She had claimed to be a campaigner, with my best interests at heart. **This a pure fallacy!**

She had put me into custody at an early age as a minor. **Made a ward of the state at 11 yrs.**

All professionals will tell you, they **go out of their way to keep young adolescents out of custody.** Even now with all the violent youth offenders’ crime spree. They know, **once they enter into custody their lives become a revolving door they become worse institutionalised.**

Thanks mum!

My mother was more focused on reading her name in a crime novel, directing how and what was in it, going out of her way to accommodate Mathew each time he came down to Victoria. Putting him up at her place, feeding him, every whim she catered for, in securing her take on the novel. In return placating her hungers to be in it, pandering to her whims. Where she just Slanders many. **Most of which have since passed on, unable to defend.** **Pure spurious acts.**

You judge, **are they Judas?** And what kind of **Mut-her complies in abetting this conduct!**

I did consider including her past and history of selling me out to authorities. **But decided against it,** as it is far too embarrassing. **I get no joy at all revealing, especially to the world.**

The real ugly personal family dirty laundry. She has no hesitation to reveal. Me I won’t stoop as low as she does, for the sake of reading her name in the pages of a crime story. Now turned **into a crime fiction, due to author’s fabrication of facts and evidence.** Which she knows and goes to measures to hide/conceal. **I am now estranged from whole family as a result of it.**

Standing up for my moral ethics, values and principles. And the fight for others being **“US.”**

I refused to have this go UN challenged (or) be covered up. In my mission to expose **“Them”**

I would then receive a (7) page letter from Mathew Thompson in response to my letter¹⁰⁹.

In the unbridled attack towards him in corrupting my materials. He does not offer me any apology or explains why he falsified the facts. And even had the hide to rebuke me! I could not believe his gall.

He was the root cause of the problem, yet tried to shift the blame onto me somehow. Than went on to suggest and offer me some emails **with favourable reviews.**

To try and appease and placate me. Yeah rite. How stupid did he think I was!

The big question is: **Are they real? With Mathew, they are more likely to be doctored up fake.** To believe and accept his assurances **AGAIN.** When he had already falsified legal documents in the past. Now hoping that I would buy his positive reviews in diminishing his criminal acts

SORRY. Once bitten twice shy. Go play some other unsuspecting victim!

I was going to include it. To showcase his own attempts to placate me. A waste of ink really!

I have them secured and preserved and set aside. Who knows, he pisses me off. **I will reveal!**¹¹⁰.

I managed to complete my project. **CAGED UNTOLD.** In a far more advanced way, in which Mathew Thompson **would (or) ever could dream of putting together!**

Born from the heart. Pure and real, with NO desires for Money (or) notoriety at all!

CAGED UNTOLD IS NOW RESURRECTED FOR THE ENTIRE WORLD AND GLOBE TO WITNESS!

This body of work is no longer scrambled, but now refined, coherent and ordered.

From its original state. Of⁴⁰.

How do the ACCUSED BOTH stand. **GUILTY of TREASON (or) Not?**
